

# Thank You! We Can't Do It By Ourselves!

Almost 150 volunteers come together the first weekend in May to produce the Chowder and Marching Clean-Up Weekend. The Bedford Village Chowder & Marching Club, established over 51 years ago, is dedicated to raising funds to support programs and activities that have a direct impact on the youth of Bedford. Only with the help of our friends and neighbors can we have such great success! Thank you to all who volunteered!
